Lunch 13.00–14.00

US in Everyday Practice–Part II. 14.00–15.30

Moderators: Mechl M., Pinto F.

Clevert D.A. Trauma
Hustý J. Inflammatory bowel disease
Danse E. Acute bowel disease
Petrášová H. Neck

Break 15.30–16.00

News from Our Ultrasound Kitchen 16.00–18.00

Moderator: Bohatá Š.

Navigation
3D, 4D, 5D... how much D
is enough
Elastography
Postprocessing softwares

Closing Remarks 18.00

Válek V.

Sunday 22.4.2012

Evaluation and scoring 8.00

Course Presentation

Mechl M., president of The Czech Radiological Society

Course Introduction

Romano S., Válek V.

Part I.: Liver, Pancreas, Kidney 9.10–10.40

Moderators: Romano S., Hustý J.

Battaglia V. Focal Liver Lesions
D'Onofrio M. Pancreas
Bertolotto M. Kidney

Break 10.40–11.00

US in Everyday Practice–Part I. 11.00–11.50

Moderator: Bohatá Š.

Bohatá Š. Interactive Case Presentation
Šprlaková A. Musculoskeletal
